SEED IN PAPERS BY MAIL POSTPAID—We pay postage on all packets, ounces and one-fourth pounds. *For half pounds add 5 cents; one pound 10 cents; for one pint add 10 cents; for one quart add 15 cents for postage.*

SPECIAL EXPRESS RATES—We have obtained from the Southern Express Co. a special express rate on seeds shipped from us to our customers. The special rate is equivalent to a reduction of about one-third from the regular rates, and on shipments of less than 30 pounds we can in most cases ship by express cheaper than by freight.

GUARANTEE—While we exercise every precaution to have seed pure and fresh, and hold ourselves liable under this guarantee to refund original price in case of default, but no more, we do not guarantee perfect stands or good crops, as this depends upon the elements and natural causes over which we have no control.

TERMS—Cash with order. Goods can be sent c. o. d. when order is accompanied by 25 per cent. of the amount.
